After breakfast at the hotel we'll transfer to Grigorevka Gorge, Grigorevka Gorge located in 45 mi from the city of Cholpon-Ata. Gentle slopes of a valley are covered with a dense fir forest. Length of a valley is 25 mi. The Grigorevka Gorge, is considered one of the most picturesque in Issyk Kul area. Today we'll have a relaxing day in the nature. After lunch at local restaurant we'll return to Bishkek. Overnight at hotel in Bishkek.

21 JULY 4 THURSDAY – BISHKEK - ULAANBAATAR (KYRGYZSTAN/MONGOLIA)

Transfer to the airport for flight to Ulaanbaatar by TK342 at 04:15/10:05 AM. Welcome to Mongolia! Upon arrival, your tour guide will greet you at the arrival hall and accompany you in a comfortable vehicle to your hotel and help you with the check-in procedure.

We leave the rest of the day free for you to be on your own. You may need some time to relax and recover from the long-distance flight or possibly from jet-lag.

22 JULY 5 FRIDAY – ULAANBAATAR – YOL VALLEY (MONGOLIA)

In early morning, you will be transferred to the city airport for morning flight to Gobi Desert (~1.5 hours).

Upon arrival at local airport in Gobi, your Gobi tour guide will be waiting for you and take a short drive to Yol valley situated in "Three beauties of Gobi" Mt. National Park. Yol means Lammergeyer, one of the most endangered bird species of prey. The valley is notable for a deep ice field; it remains frozen for most of the year, except late summer.

We will there enjoy soft hiking through grassy meadows, small streams, long and narrow valley with sheltered by high cliff walls, sunlight bouncing off amazing rocks, covered with wild flowers and Gobi plants. You may be lucky enough to spot wild sheep and goat, grazing high on the cliff walls. Afterwards, we will lunch and check-in at Gobi Nomad Lodge.

Rest of the day is free for your own. You can be walking, hiking around the camp or just relax in the camp.

JULY 6 SATURDAY— YOL VALLEY — BAYANZAG (MONGOLIA)

If you get up early this morning, you will have chance to see how the sunrise in the Gobi. After breakfast, we will take 1.5hrs drive to Bayanzag which is a famous for the first discovery of fossilized dinosaurs. Bayanzag is also well known for red tall hillocks formed as a result of wind and water erosion which look like fire in the middle of the desert from distance. We will watch interesting video at Mongol Gobi Ger camp about how Roy Chapman Andrews and American expedition discovered the first dinosaur eggs from Bayanzag and transferred dinosaur skeletons on the camel back through Gobi Desert. Their findings proved to the world that dinosaurs laid eggs. After lunch, we will explore the Flaming cliffs and wander on the red hillocks. We will try to find bones of dinosaurs around Bayanzag. White fossilized bones are still found nowadays.

End of day, return to the lodge for dinner and overnight.

JULY 7 SUNDAY —BAYANZAG — ULAANBAATAR (MONGOLIA)

In early morning, transfer to the local airport for morning flight to Ulaanbaatar. Upon arrival around 10am at the city airport, transferred to the hotel in Ulaanbaatar. On the way, visit Zaisan Memorial Hill is located in the south side of Ulaanbaatar City, right beside the Bogd Khan Mountain having a best view of the city and surrounding hills. Check-in and lunch at the hotel.

After some personal refreshment in the hotel, at 2.30pm will visit **Dinosaur museum**. The main exhibit of Dinosaur museum is Tyrannosaurus Bataar which was illegally smuggled out of country and sold in Texas, USA at an auction for over US\$1m in 2012. The government of Mongolia brought a claim through court and brought back the exhibit to Mongolia. The museum is small and can easily be done. However, the collection is quite impressive as all the fossils showcased are originals and complete skeletons. Continue to visit Zanabazar museum which is renowned for the works of G. Zanabazar (1635-1724) who was referred to as the Michelangelo of Asia.

After dinner, transferred to the hotel.
